

Smart *Marketing*

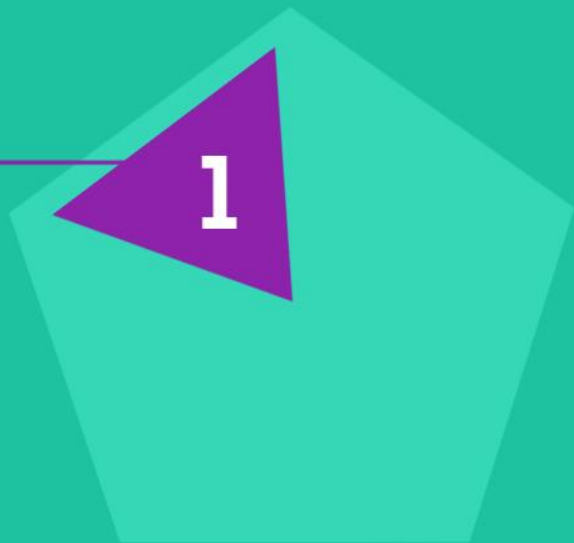

A STEP ABOVE THE REST

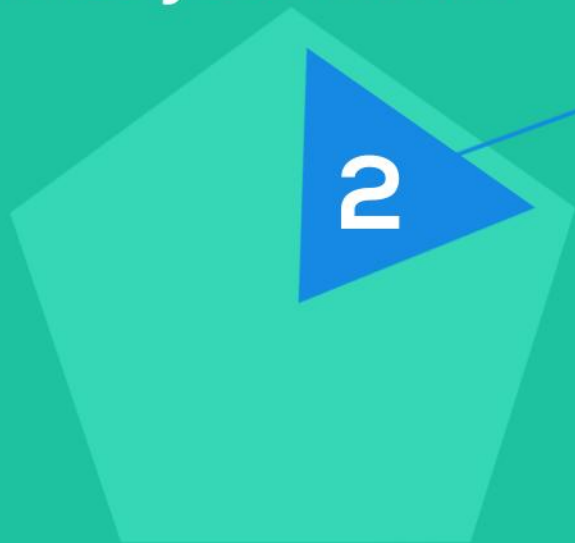

As part of your sales process, simply send us your client info, after sale/event completion

After
the Sale

**We write a thank you note by hand
& mail it to your client**

**Handwritten
Thank You
Card**

We call the client and ask them how everything went with their recent purchase

We document the information and send you a report instantly.

3

● Phone Call Review

4

An email is sent after the call, thanking them for their time.

4

If they had a ████ negative response, we thank them for their time & apologize. We potentially offer them a discount on their next purchase.

● Email & Google Review

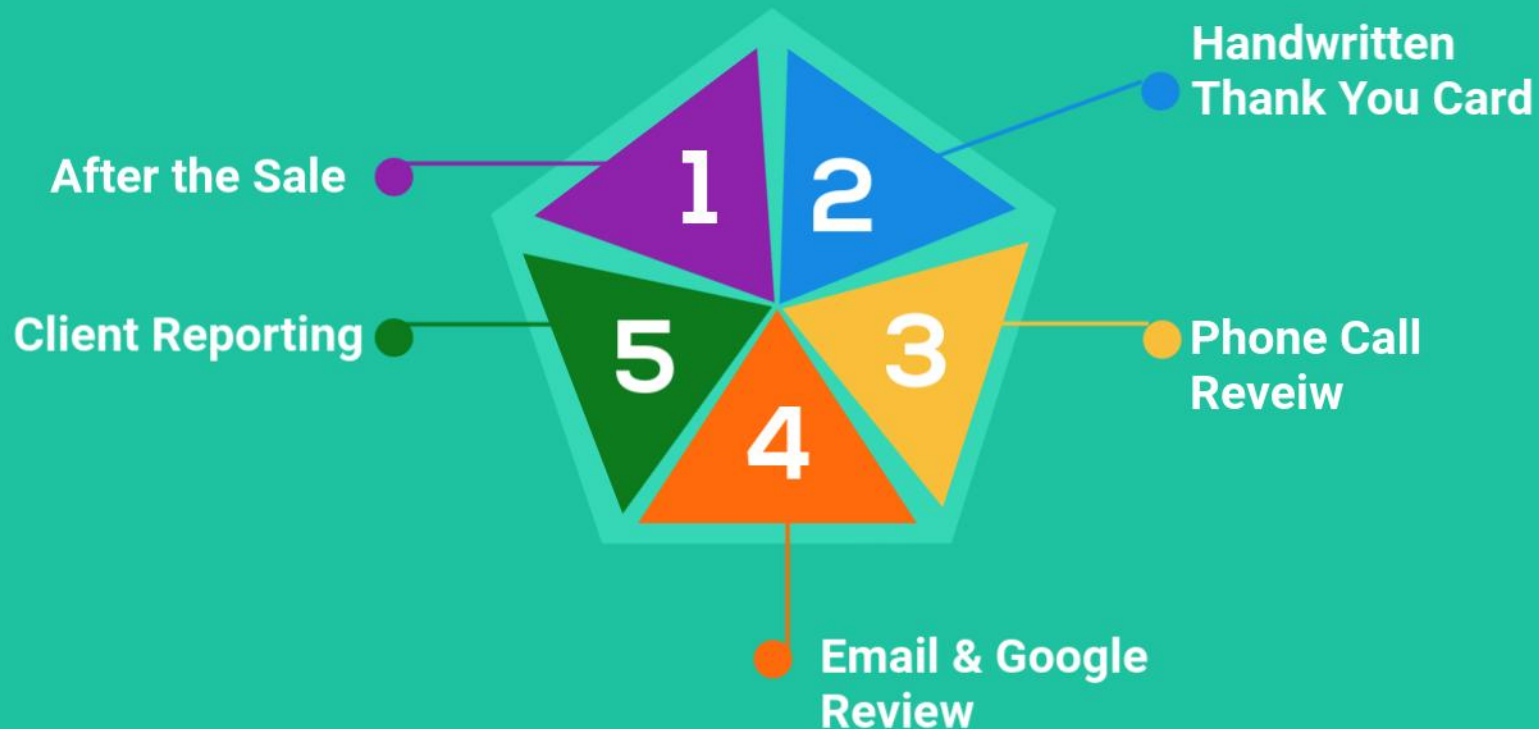

We send a report after each client review.
A live link is sent at the end of the month
for all client reviews.
